Kick off Meeting in Bulgaria

On the 13th and 14th of November, the partners from Bulgaria, Ireland, Cyprus, Estonia, and Turkey, participated in the Kick-off Meeting of the project, Democracy Tree, held in Sofia, Bulgaria. This initiative marks the commencement of an ambitious endeavor aimed at educating young people about democratic values through an innovative virtual journey through history.

The meeting served as a platform for the project's partners to officially launch Democracy Tree and engage in comprehensive discussions about the anticipated outcomes and the strategic division of tasks for the next two years of implementation. The collaborative effort reflects a commitment to fostering a deeper understanding of democratic principles among the youth across Europe.
